Concessions: Please let Gregg know if a product is running low or out. He will replenish. Double Dave's is a new addition to our concession stand. The pepperoni rolls sold very well during tournaments. Also, please throw any leftover Bush's tea away after games. They do not want us to keep it in the cooler because the taste may be compromised.

Banquet: Traci Pettit has been looking into venues for the banquet. The Springs in Georgetown is the recommendation. They will give us a corporate rate of \$1200.00 for 4 hours. They do all set up and clean up. We can bring our own caterer- so that will be looked into next. A motion was made to put down a deposit of \$500.00 to book the date of Monday, May 1st.
