  - Donation request letter will be sent out via email.
  - Need someone to step up and take over outreach- send out via email and social media.
  - We received a private anonymous donation to cover half of the security detail for the night.
  - We also have a Casino Night Sponsor- Lauren Concrete exclusively sponsored \$2000
  - Would like table sponsors again like last year- need a representative to reach out to select baseball teams to be table sponsors- will have advertisement on table, and get 2 tickets to Casino Night for a \$300 donation.
  - Silent Auction- we would like each family to either put together a basket for the silent auction, go out and get donations for the silent auction, or pay a \$20 buy out to your class representative to support the silent auction. This is our only fundraiser for the year!
