# WELCOME DRAGON FANS

TO THE 2020 BASEBALL SEASON

### DEAR DRAGON FAN,

Welcome to Round Rock High School, home of the Fighting Dragons! As the flagship high school of RRISD with over 100 years of history, we are a school rich in traditions. No tradition is more vital to the success of our school than that of teamwork. We all achieve more when we work together cooperatively towards a common goal! Dragon Athletics nurtures teamwork in our young ladies and men and our students learn how to play an individual role for the success of the larger team; strive towards a group goal; console each other in times of defeat; celebrate individual and team successes; and most importantly, cultivate relationships and create memories that last a lifetime. This accomplishment requires many hands: Thank you parents for supporting your students on and off the Diamond. None of what they do could be accomplished without you. Thank you, teachers, for going beyond the classroom by being present at the games. Your faces in the crowd let the students know that you truly appreciate them. Thank you coaches for the countless hours you pour into your craft. We are all witness to your games and events, but few seldom witness the almost infinite hours you spend in game day preparation and one-on-one mentorship of athletes. Thank you ALL for the role you play on the Round Rock High School Dragon Baseball Team.

*SOME SAY THERE ARE ONLY TWO SEASONS IN TEXAS, BASEBALL SEASON AND I FORGOT THE OTHER ONE, LETS GO DRAGONS...PLAY BALL!*

Sincerely,

*Matt Groff*

Proud Principal of RRHS

A MESSAGE FROM THE

# HEAD COACH

## WELCOME DRAGON BASEBALL FANS,

Spring is in the air and the 2020 Round Rock High School Dragon baseball season is upon us. Dragon Baseball expects to maintain a longtime rich tradition that the many exceptional former players have established both on the field and in the classroom. We are striving to continue maintaining Dragon baseball at the top of the District standings and perhaps another State Championship, at the 6A level. We realize that by doing the things necessary to become a champion on the field, we reinforce the qualities that are required to be champions in our lives beyond the game as well.

We would like to thank all of the parents, boosters, and members of the community who have gone above and beyond in helping us. Our teams will work hard to be the best they can be and continue to make our program one of the best programs in the state. Your continued support helps us compete at this level and encourages us to have a tremendous amount of pride in being called **DRAGONS**.

Our community service program called "Dragon Scales" has assisted our 4th grade feeder students in learning their math tables and we are very proud of their accomplishments thus far. We encourage them to keep up the great work. Special thanks go out to all the parents that have assisted with Dragon Scales, as well as the fourth grade teachers from all of the feeder elementary schools. We are very proud of this program and what the future holds for it.

Our desire is to have a baseball program that is consistent with the philosophy of the entire athletic program. Our program encourages trust, excellence, attitude, commitment, toughness, teamwork, pride, and teaching athletes to be winners both on and off the field. We will follow our established core covenants of Accountability, Brotherhood, Character, Grit and Passion by displaying these values on the field, in the community, in the classroom and at home. In addition, we choose to serve others in various ways within the community and will continue to work toward helping those around us. We will continue to develop the baseball skills of the athletes as well as provide helpful, character building experiences that will allow us to strive in a positive direction in maintaining these values.

We look forward to your continued support and ask that you follow some basic rules when cheering for the Dragons:

- Be a fan of everyone on the team
- Respect the officials, other fans, and coaches

Come and Sit in the stands and **CHEER FOR THE DRAGONS!!!** Our student athletes strive to make a big impact on the field in daily competition. However, the ultimate measurement of success will occur many years from now in their future lives. Thanks to everyone for all you have done. We will see you out at the diamond. Take care and God Bless. **"INVEST"**

Sincerely,

*John Carter*

Head Baseball Coach
