Coach Carter stating that 31 wins in a season is hard to do. Our senior class is a special group of kids and young men. I cannot thank our seniors enough for all the hard work and dedication that the boys have show on and off the field. We are looking forward to graduation and all of the accolades for our boys this season. We are moving forward with the season with the freshman summer ball program. It's pretty awesome for the boys that they get to use the indoor facility to practice whereas other teams are having to cancel. Thanks to Antonio for the help. I want to thank Jeff and Stacey for everything that you have done this season to help with anything and everything. Thank you, Bob and Erin, for all that you have ne to help with the season. I'll close with a little more on the Senior class, They started in a COVID year and have gone through so much to to where they are today. That says a lot about their character and you as parents.
