Manbeck, an alumni and supporter of our program will be the general contractor who will be working with the booster club to complete the fence project and right side dugouts. We are working with the district to redo the backstop fencing as well.

#### **VII. Coach Carter Report**

Coach Carter has met with Coach Cheatham and the Superintendent to look at the right field foul line fence. We have to submit another FAR request to get that side redone.

As for field maintenance, the district does have a program that they will be implementing for a field care program. We are looking to possibly do some top dressing in the outfield, specifically left field. The district did over-seed the field and we are watering it like crazy to get the seed to germinate.

Players and potential players can come to the Breakfast Club 7:30-8:15am in the PDC. Coaches will have the PDC open to work on hitting. After school the PDC will be open until 5:15pm. Anyone who is signed up to try out may attend any of those sessions.
